Book Extension for

Prairie Lotus

Linda Sue Park, author

Clarion Books, publisher

ISBN: 978-1328781505

"It's a vivid picture of a setting, Dakota Territory, and a period, the 1880s, which has been the focus of countless westerns. Yet because of Park's empathy, understanding of the complexity of the coming together of cultures, and wonderful ability to create memorable characters, the readers of her story will see that time and place in an entirely different, more complex, and more realistic way." (Joseph Bruchac, author)
